

Charcoal Stops Gas On Your Stomach

Wonderful Absorbing Power of Charcoal When Taken in the Form of Stuart's Charcoal Lozenges.

Trial Package Sent Free.

Charcoal, pure, simple charcoal, absorbs 100 times its own volume of gas. Where does the gas go to? It is just absorbed by the charcoal—the gas disappears and there is left a pure, fresh, sweet atmosphere, free from all impurities and germs.

That's what happens in your stomach when you take one or two of Stuart's Charcoal Lozenges, the most powerful purifiers science has yet discovered.

You belch gas in company, sometimes, by accident, greatly to your own humiliation. That is because there is a great amount of gas being formed in your stomach by fermenting food. Your stomach is not digesting your food properly. Gas is inevitable whenever this happens, just take one or two of Stuart's Charcoal Lozenges right after eating, and you will be surprised how quickly they will act. No more belching; no more sour risings. Eat all you want and what you want, and then if there is any gas going to be formed, one of these wonderful little absorbers, a Stuart's Charcoal Lozenge, will take care of all the gas.

And it will do more than that. Every particle of impurity in your stomach and intestines is going to be carried away by the charcoal. No one seems to know why it does this, but it does, and does it wonderfully. You notice the difference in your appetite, general good feeling, and in the purity of your blood, right away.

You'll have no more bad taste in your mouth or bad breath, either from drinking, eating or smoking. Other people will notice your bad breath quicker than you will yourself. Make your breath pure, fresh and sweet, so when you talk to others you won't disgust them. Just one or two Stuart's Charcoal Lozenges will make your breath sweet, and make you feel better all over for it. You can eat all the onions and odorous foods you want, and no one can tell the difference.

Besides, charcoal is the best laxative known. You can take a whole boxful and no harm will result. It is a wonderfully easy regulator.

And then, too, it filters your blood—every particle of poison or impurity in your blood is destroyed, and you begin to notice the difference in your face first thing—your clear complexion.

Stuart's Charcoal Lozenges are made from pure willow charcoal, and just a little honey is put in to make them palatable, but not too sweet.

They will work wonders in your stomach, and make you feel fine and fresh. Your blood and breath will be purified.

We want to prove all this to you, so just send for a free sample today. Then after you get it and use it, you will like them so well that you will go to your druggist and get a 25c box of Stuart's Charcoal Lozenges.

Send us your name and address today and we will at once send you by mail a sample package free. Address F. A. Stuart Co., 200 Stuart Bldg., Marshall, Mich.

Bingham News Notes

Special to The Tribune.

BINGHAM, Nov. 23.—It is thought the Highland Boy mine will close about January 1, owing to the recent decision against the smelters at Bingham Junction, but efforts are now being made to secure other places at which to smelt ore. The Utah Consolidated Mining company owns a large tract of land in Pine canyon, over the mountains near Poole, having acquired the land some time ago for a prospective smelter site. It is now stated they will at once build a smelter for the Highland Boy mine ores, and plans and contracts are now being prepared. If the mine does close, it will be only for the time required for the erection of the new smelter.

The Yampa mine tramway is nearly completed, more than half of the cable having been stretched. Everything is being rushed for the opening of the smelter in December 1.

The Boston Consolidated Mining company will rebuild its hotel which was recently burned, at a loss of \$5000. The contracts for building the new structure have been let and work will be commenced at once. Having appropriated \$100,000 and a half dollar for a working fund, the company will resume operations soon. The local officials say they expect orders to resume work before Christmas.

Frank McLain, formerly an engineer of the Boston Consolidated, died at his home in Salt Lake City Thursday. About a month ago a silver three inches long entered his arm. Extracting it, McLain continued work, paying no attention to the wound. Subsequently he suffered such pain that he went to a hospital at Salt Lake City for treatment, being removed later to his home, 729 North Second West, where he died.

C. P. Goody, for over a year manager of the Telluride Power company, has been transferred to southern Utah to superintend a new power line in course of construction.

Warren P. Braden, a capitalist of Trinidad, Colo., who has various interests in the mines of Bingham, was a camp visitor during the week on his return trip home from Portland and Seattle, Wash.

Mrs. C. A. Inlow, wife of Professor Inlow of Upper Bingham, is reported recovering from a second serious operation at the Holy Cross hospital at Salt Lake City.

Gertrude, the infant daughter of Mr. and Mrs. R. Holden, died last Sunday of pneumonia, and was buried in the Bingham cemetery Tuesday. There were many floral pieces. A large number of friends attended the funeral services.

The Women's Unity club held its regular meeting Wednesday at the home of Mrs. Scoville. After an enjoyable afternoon those present went to the festival in the ward meeting house given by the relief society of Bingham.

Mayor Christensen will take up his residence at Pleasant Grove upon the expiration of his term of office, January 1, 1908. His family is now located there.

Prof. J. P. Meakin was a speaker at the funeral of young Robert Kappeler Friday last.

Rev. C. H. Lewis, formerly of Bingham, is now pastor of the Methodist church at Piquette, O.

Peter Lulich, a miner at the Highland Boy, was hurt Sunday night while unloading a car of ore. His fingers were caught between the car and the ore bin and badly crushed. It was necessary to amputate the little finger of the left hand. Tom Gooler of the same mine had his hand crushed Monday in a similar accident, but the injury, though painful, was not serious.

Charles Nelson of the Galena mine was injured Friday by 200 pounds of dirt and ore falling upon him. He threw out his hands to save himself, and escaped with a crushed left hand, the little finger of which was amputated. He was removed to a hospital in Salt Lake City.

Ephraim News Notes

Special to The Tribune.

EPHRAIM, Nov. 23.—The many friends of Miss Hazel Peterson of this city and C. N. Madison of Manti will be pleasantly surprised to learn of their marriage, which took place at Nephi, November 18. The ceremony was performed in the County Clerk's office by F. H. G. Parker. The couple left for Salt Lake City, where they will remain several days.

Mrs. Carl Mattison of Salina returned to her home Monday, after spending a few days with relatives and friends.

Dr. Charles Jensen of this city left Monday for Hot Springs, Ark. He will remain during the winter for the benefit of his health.

Miss Selonia Alsten of Manti visited in this city Tuesday.

Hugh McCafferty left Sunday for his home in Pueblo, Colo.

L. M. Olsen was a business visitor in Salt Lake City the first of the week.

A baby girl arrived at the home of Martin Nielson Tuesday.

Joseph P. Anderson returned from Richfield the first of the week. James and Louis Lund of Fort Green spent a few hours in this city Tuesday.

Miss Jennie Bjerrgaard is recovering from a severe case of pleurisy. Hilary Larsen returned from Juab Tuesday, where he has been engaged in farming.

Mrs. J. H. Whitlock spent a few days at Mount Pleasant the first of the week, visiting relatives and friends.

P. C. Anderson is slowly recovering from the injury he received some time ago.

Joseph Soderberg is home from Salt Lake City on a short visit.

Dan Anderson came home from Juab Monday.

With the dry, cold weather of the early winter months, parents of croupy children should be on the alert for ominous symptoms. There is no cause for anxiety, however, when Chamberlain's Cough Remedy is kept in the home. If this medicine is given as soon as the child becomes hoarse, or even after the croupy cough has appeared, the attack may be warded off. Mrs. S. Rosenthal, of Turner, Michigan, says: "We have used Chamberlain's Cough Remedy for ourselves and children for several years and like it very much. I think it is the only remedy for croup and can highly recommend it." For sale by all druggists.

Precedent Shattered by the Remarkable Prices That Will Prevail During This Week

The final days of November offer the most radical price concessions ever quoted in Salt Lake, and we urge you to make your purchases the early part of the week. We have lowered prices to a point that will be impossible to repeat when the full tide of holiday shopping sets in. Every department shares in the selling movement. Now is your chance at trustworthy merchandise below regular value.
